

Film Financing @ Wholesale Rates

Are you looking to fund your next film, slate or television project?

Our private lending group has a dedicated entertainment division that can fund your project using either the **4X Loan** or the **1X Loan**. To qualify for the **4X Loan** the borrower needs to have already raised 25% of the loan amount in cash or **crypto** and the minimum deposit is approx \$10.9M US, (equivalent to €10M euro) after discounting as blocked funds are subject to an inter-banking discount of 20%. With the 25% of what you need already raised, this program can provide you with a credit facility that is four times your deposit deployed across 9 -12 monthly draws. Your initial funds are 100% secure in your own account. fully bonded with a 7% per year coupon with is paid by the bank monthly.

Film financing with the **1X Lending Program** requires a minimum of approx \$1.1M US, (equivalent to €1M euro) to enter the program. Funds are released 5% per month and fully deployed in 20 months.

Regarding the readiness of the project itself; the production elements need to be established and a fully developed business plan already in place. Your project doesn't necessarily have to be ready to produce immediately, but it should basically be "ready to go". If you only have a script but no budget or production plan, then you are not yet ready for funding.

This wholesale program has already funded hundreds of entertainment projects globally.

- **Different minimums apply for each program**
